

# Autobahn Country Club Team Building Activities

## CAR PROGRAMS

### Autobahn Experience

Join us for a half day of exhilarating, breathtaking high performance track time! Get behind the wheel of a high performance sports car from our extensive fleet. The activities begin with a classroom chalk talk designed to instill the basic of high speed driving. After the classroom session, your group will strap yourselves in for a high octane lesson on the finer points of competition driving techniques. Our highly skilled professional driving instructors will use a hands-on approach to customize the learning experience. This is the perfect way for drivers of every skill level to experience the excitement of high speed performance driving on a formula one style racing circuit. We combine a challenging Autocross program with an equal portion of on track racing that is the perfect way to build a high performance team. After driving your group can relax in the Clubhouse and enjoy the culinary skills of our award winning staff. This is an experience your guests will never forget.

### Autobahn Team Building Autocross

Take your driving skills to the limit with this unique program designed to get your group working as one. After a brief classroom session to explain the rules your group will get in the drivers seat of our high performance vehicles for a chance to prove their stuff! This challenging Autocross program features a tough blend of turns and straightaways designed to get your competitive juices flowing. Each person will be electronically timed to see who can post top lap times. The competitive aspects of Autocross make it a perfect team building event.

### Autobahn Rush Hour

Spend an evening experiencing one of the most exciting driving activities ever developed. Our highly experienced professional driving instructors will take you for a test drive in a performance tuned vehicle at race speeds. Feel the adrenaline rush as you put on a helmet and strap yourself in for the ride of your life!

## KART PROGRAMS

Autobahn Country Club features a professionally designed one half mile track with 7 turns. Karting is a great way for everyone to competitively race right from the start. Your guests will get strapped behind the wheel of a Rimo racing kart powered with a high performance Honda GX 270 engine. These karts are safe and FAST with modified racing slicks for incredible cornering speeds. The karting programs are perfect for team building events. All guests are supplied with the necessary safety equipment. Each Kart is outfitted with electronic timing.

• *Recommended minimum track time is 1 hour per 60 people. Please add an additional 15 minutes per 15 drivers.*

### Autobahn Karting Experience

Start the day off with a drivers meeting giving your guests detailed safety and technical instruction. After the pre-race meeting your guests will experience a half day event designed to teach the finer points of high performance driving techniques. Events include practice, qualifying sessions, heat races and main races in this fun, fast paced program. Competitors can be scored by team or on an individual basis.

### Autobahn Group Karting

(60 People maximum per hour) Teams and individuals compete against each other for honors of being the most skilled racers. Learning the finer points of speed and sharing your knowledge with teammates is the key to producing the best lap times. One hour of karting includes practice, qualifying and racing. Also includes a free celebratory beverage.

## RACING SCHOOL

### Driver Coaching

Because your car is more than just transportation, learn to maximize your investment by allowing the professionals at Autobahn Country Club to instruct you on advanced vehicle dynamics in a safe environment.

### High Performance Driving School

Our fully customizable driving schools instill you with the confidence of a professional racecar driver. You'll acquire and practice the necessary skills that serve as a foundation for every level of need. Our professional instructors take a 'hands-on' approach; you drive, we teach.
